

# Roman Gavrilov

## SUMMARY

As a certified senior Shopify/Plus and Full Stack developer with 10+ years of experiences, well versed in CMS platforms like Shopify, WordPress, and Magento developers focused on theme customization and development, custom functionality, app integrations, store designs, and everything in between. I'm up to date on all modern web design trends and standards and can build a site clients are proud of. My goal is to understand client needs and make sure my services meet those needs and 100% satisfied
